NICAS (National Indoor Climbing Centre Accreditation Scheme) - Accredited Courses

What is NICAS Wild Climbers?

NICAS Wild Climbers offers climbing skills for all - it's a fun, game orientated programme that aims to introduce climbers safely into the indoor climbing environment, developing their awareness of climbing movements, improving confidence and creating a grassroots pathway into additional climbing activities. NICAS Wild Climbers meets the 3 key learning areas of the EYFS (Early Years Foundation Stage) which is the precursor to Key Stage 1, and includes Communication, Physical Development, and Social & Emotional Development.

We recommend this course for primary school children in **Years 2 & 3**

What is NICAS Clip?

NICAS Clip aims to introduce new climbers including young children safely into the indoor climbing environment, develop awareness of climbing movements, improve confidence and create a pathway into additional climbing activities.

We recommend this course for primary school children in **Years 4, 5 & 6**
